Dear Jody,

Here is the final rate structure that was used for the 2013 budget and which was heard at public meeting and approved by the Board in December:

Fee/Rate	Application to Lots	Volume Used/Mo.	Amount per month
System Maintenance Fee	Applies to all lots	N/A	\$15.00
1988 & 2004 Bond Fee	Applies to all lots	N/A	\$10.66
2011 Assessment Bond	Lots not having pre-paid	N/A	\$41.00
2011 Revenue Bond	Lots not having pre-paid	N/A	\$2.95
Base O&M Water Fee	All connected lots	0 to 4,000 gal/mo.	\$24.50
Usage Fee – 2 <sup>nd</sup> Block	Connected Lots	4,001 to 6,000 gal/mo.	Add \$12.00 to Base Fee
Usage Fee – 3 <sup>rd</sup> Block	Connected Lots	6,001 to 8,000 gal/mo.	Add additional \$16.00 to total
Usage Fee – 4 <sup>th</sup> Block	Connected Lots	8,000 to 10,000 gal/mo.	Add additional \$20.00 to total
Penalty Usage Fee	Connected Lots	Any volume used in each 2,000 gal. block after 10,000 gal/mo. (1 gal. to 2,000 gal. is charged the full penalty for that block)	Each 2,000 gal/mo. block is charged an additional \$24.00

I hope this explains the rate structure in adequate terms. If you have any questions, please call.

Best Regards,

Duane
